

# DANA POINT DENTAL NEWSLETTER

## MAY 2013

We want to take a moment to introduce our patient and Head Chef at the Wine Bistro, Nael Taki. Our team had the opportunity to savor Chef Nael's creations and indulge in delicious food, wine and exceptional service.

We would like to share our experience by offering a "Monday night wine dinner for two" at the Wine Bistro for our raffle prize winners. Anyone who refers a new patient in the month of May will be entered to win.
